STUDENT NUTRITION CENTER

Student behavior in the Food Service Center should be based on courtesy and cleanliness. Students will go through the cafeteria line and pay for their choice of food. Students are expected to dispose of their trash inside the cafeteria in an orderly fashion.

Free or reduced-price lunches/breakfasts are available upon application, provided the family income falls within certain income guidelines. These guidelines are available at enrollment to all families and are available in the middle school main office.

Students who reach the limit for lunch charges will be provided an equal but alternative lunch until satisfactory arrangements have been made regarding their account.

BREAKFAST

Breakfast is available on 1st and 2nd floor following 1st hour at RMS. Students are able to take advantage of free and reduced price eligibility.

MEDICATION

If it becomes necessary for a student to take any form of medication at school, a medication form (available in the school health clinic) must be signed by the physician and parent. This form must be returned to the clinic with the medications. All medications will be kept and dispensed through the clinic. Medication is to be brought to the clinic in the original container appropriately labeled by the pharmacy or physician stating the name of the medication, the dosage, and times to be administered. This includes ALL non-prescription and over-the-counter drugs.

LOCKERS / HALL/P.E. LOCKER ROOM

Students will be allowed to go to their lockers before and after school or during passing periods.

Lockers are the property of the school and are assigned to the students by the office at the beginning of the school year. The school is not responsible for losses from lockers, and it is the student's responsibility for keeping his/her locker locked. If a student finds that someone else knows the combination to his/her locker, the student may request a combination change through the office. All students are responsible for the locker to which they are assigned. The cost to repair or to refinish any damage may be charged to the student using the locker.

The Physical Education locker rooms will be locked after the tardy bell for each class and reopened ten minutes before the class period ends. Student should not expect to be able to go to the locker room area unless they have a physical education class during that particular period.

MAKE-UP WORK

The student has full responsibility for making up all work missed during an excused absence. Earning a passing grade after a repeated or prolonged absence is extremely difficult. During periods of extended illness or injury, special arrangements will be made to enable the student to continue course work at home.

A student shall be allowed two school days for each day of absence to complete make-up work, provided a student has no more than five consecutive days of absence. A student who accumulates more than five consecutive days of excused absences may be given an extended time period to complete make-up work. Administration, teachers, and the student shall develop a plan to meet the needs of the individual student.

In the case of an excused absence, assignments may be requested through the office. Please allow one day for this material to be gathered.

FEE FOR TEXTBOOK / LAPTOP USAGE

Books and Laptops are checked out to students at the beginning of each term and are to be returned at the end of the term. However, it is the Board of Education policy that any book or Laptop lost, mutilated, damaged, or destroyed in any manner shall be replaced by the student, to whom it was originally checked out, with that student paying the price for the repairs.

ELIGIBILITY

All students participating in any school sponsored activity at RMS must meet KSHSAA standards of passing 5 subjects and have at least a 2.0 GPA for the previous semester (*see Activities Handbook*).

PHYSICAL EXAMINATIONS

Cheerleaders and athletes must have a physical examination form for the current school year on file with the school Activities Director before participating.

ACTIVITY POLICY

All school activities are authorized and scheduled in the principal's office. No events are to be placed on the calendar without first clearing the date with the superintendent's calendar to avoid conflicts. The principal, activities coordinator, and the assigned teachers, sponsors, coaches, directors, or advisors are to be in full charge of the activity program. All activities shall be sponsored for the best interest and welfare of students, and proper time scheduling should be considered. Unless it is a scheduling emergency, there should be no activities scheduled on Sunday or Wednesday nights. These nights shall be reserved for family activities as much as possible.

SCHOOL ACTIVITY PARTICIPATION

All students participating in activities within the USD 445 school district must comply with the following rules as outlined by the Kansas State High School Activities Association.

 - a. Good Standing is determined by the administration of the school the student is attending.

Follow all rules and procedures as set forth by the coach/sponsor

The only exceptions are hospitalization, contagious disease, prolonged illness under the care of a physician, school sponsored trips/activities, or absences excused with a doctor's note, funeral, court or administrator approval.
 - c. Good standing may be removed for:
 - Any single act deemed by the school administration to be severe enough to remove "good standing status" from a student, including:
 - Behaviors inside or outside of school that reflect poorly upon the school
 - Behaviors inside or outside of the school that reflect poorly upon the team
 - Unexcused absences, chronic tardiness, or infractions of the student discipline code

2. WALK. NO TALKING. Move quickly and quietly to the designated area.
3. LISTEN to instructors for specific directions.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) is a federal law that governs the maintenance of student records. Under the law, parents of students, if they are at least 18, have both the right to inspect records kept by the school about the student and the right to correct inaccuracies in the student's records. Access to the records by a person other than the parents or the student is limited and generally requires prior consent from a parent or the student.

CHILD CUSTODY

The school division recognizes that issues related to the legal and physical custody of students are complicated and can impact the student's educational experience. Parents and legal guardians of students are strongly encouraged to stay involved with their student's academic progress. Unless a court order decrees otherwise, either parent or a legal guardian may view educational records and attend school functions or school meetings regarding the student. It is the responsibility of the parent or legal custodian with primary physical custody to provide current copies of court orders to the school. Child visitation and exchange of custody should not take place during school hours or on school property. The school division will assume no responsibility for enforcing visitation or custody orders and deserves the right to prohibit parents or legal guardians from entering School Board property if their conduct becomes disruptive to the school environment. Concerns regarding custody and visitation should be directed to the school principal.

PARENT CODE OF CONDUCT

RMS requires the parents of enrolled children to behave in a manner consistent with decency, courtesy and respect at all times. Achieving the ideal environment is a shared responsibility of staff and family members who enter RMS. No parent is permitted to curse or use inappropriate language on school property at any time, in the presence of children or not. At no time shall inappropriate language be directed towards staff or children. Threats of any kind will not be tolerated and will be reported to the appropriate authorities and prosecuted to the fullest extent of the law. Persons who violate the code of conduct could be served with a notice that bans them from the property and/or activities.

FUND-RAISING POLICY

All organizations wishing to conduct moneymaking projects must have such projects approved by their sponsor and principal or the person designated by the principal to approve such projects. No raffles of any type may be conducted. A raffle is defined as any game of chance where **every participant** is required to purchase a ticket.

VISITORS AND GUESTS

All visitors must report to the office to get a “Visitor’s ID” before going to any other area. Visitors should plan their visits so that the school program will not be interrupted. It is always best to arrange for an appointment if possible. School-age visitors will not be permitted in our school.

INSURANCE

Roosevelt Middle School does not provide insurance to students participating in or traveling to any inter-school. As a member school of KSHSAA, a catastrophic only insurance policy is provided for students. Should a parent desire additional coverage, school insurance may be purchased for a small fee. Any student desiring this additional insurance may obtain information from the main office.

OUT-OF-DISTRICT STUDENTS

A tuition fee may be charged for out-of-district students who are not enrolled at Roosevelt Middle School prior to September 20th. This fee would be set by the Board of Education.

HALLWAY DECORATION/POSTERS/INFORMATION

ROOSEVELT MIDDLE SCHOOL GENERAL RULES AND PROCEDURES

NOTIFICATION STATEMENT OF NONDISCRIMINATION

It is the policy of USD 445 to not discriminate on the basis of race, color, religion, sex, national origin, age, marital status, or the presence of a non-job related medical condition or handicap in its educational program, activities, or employment policies, as required by Title IX of the 1972 Educational Amendments and Section 504 of the Rehabilitation Act of 1973.

The district shall maintain a learning environment free from discrimination, insult, intimidation, or harassment due to race, color, religion, sex, age, national origin, or disability.

Any incident of discrimination in any form should promptly be reported to a teacher, the principal, or any other appropriate school official for investigation and corrective action by the administration.

Any student who engages in discrimination may be reprimanded and counseled to refrain from such conduct. Any student who continues to engage in discriminatory conduct shall be disciplined. Any student who engages in discriminatory behavior may be disciplined in a manner deemed appropriate by the administration, up to and including suspension or expulsion from school.

OBJECTIVE

Our school discipline policy has four primary objectives:

- Preserving the kind of environment needed for effective teaching.
- Dealing with disorderly conduct in a consistent manner that corrects a student's behavior while keeping the student in school as much as possible.
- Treating every discipline referral as a teaching moment. Our goal is to help our students grow and be successful in society. Consequences are designed to "teach" rather than "punish."
- Using out-of-school suspension or recommendations for expulsion as a last resort only when the educational environment of other students is significantly affected.

RMS POLICY FOR SEVERE MISCONDUCT

Students who are sent to the office for severe misconduct will follow the RMS Policy for Severe Misconduct which may result in any of the following: recovery room, detention, out-of-school suspension, long-term suspension, expulsion, involvement of local law enforcement authorities, and restitution. Failure to comply in Recovery Room will result in OSS for that assigned day. That day will not count as a served day of Recovery Room.

CODE OF CONDUCT

Administration has the authority to use discretion and common sense in enforcing the Code of Student Conduct. Administration is authorized to apply a higher level (and lower level in some instances) of consequence for violations of the code. The RMS Code of Student Conduct extends to any RMS students attending USD 445 school activities at home or away. Depending on the nature and severity of the infraction, administration has several options that may be exercised. Students who are sent to the office for misconduct may result in any of the following: 15-minute detention, up to 1-hour detention, Recovery Room, OSS, Long-term suspension (less than 90 days), expulsion, involvement with law enforcement authorities, community service, and restitution. Failure to comply while in detention will result in Recovery Room being assigned for the following day. Failure to comply in Recovery Room will result in OSS for that assigned day and will not count as a day served in Recovery Room. If a student accumulates a total of 10 days OSS during the course of the school year, a due process hearing will be held to determine any further disciplinary action and/or behavioral expectations. The principal / assistant principal will assume primary responsibility for the administration of these policies.

CODE OF CONDUCT AT USD 445 ACTIVITIES/ATHLETICS

All students participating (including as a spectator) must comply with KSHSAA and school handbook policies when at school activities. A student may not attend or participate in any USD 445 Activities/Athletics or attend these events while serving an out-of-school suspension. Students attending RMS Athletic events are expected to sit in the student section or with a parent/guardian. Failure to comply with this request will result in being asked to leave or being banned from attending athletic events. Students deemed "Not in Good Standing" are also not allowed to participate or attend USD 445 activities or athletic events. For more specific information regarding activities and athletics at RMS, please refer to the USD 445 Activities Handbook.

LEVEL 2 INFRACTIONS:

Level 2 Infractions are infractions that are also minor in nature, but will be immediately be referred to the office.

ATTENDANCE POLICY

The Roosevelt Middle School attendance policy applies to all students enrolled in school. The attendance policy is intended to encourage students to be regular in their attendance. It is the responsibility of parents to see that their students attend school. The school program cannot reach pupils who are not present. Thus, compulsory school attendance is necessary, and the school district requires regular attendance in compliance with the state laws (Kansas Statute No. 72-1111).

Truancy policy states that students who have been absent for all or a significant part of 3 days in a row, 5 days in a semester, or 7 days in a year *unexcused* will be turned into the County Attorney for prosecution. The building administrator has ultimate determination if an absence is considered excused or unexcused. Students who have more than 10 absences in any one class will be placed upon a doctor’s note required list. Further absences must accompany a doctor’s note or administrator approval or they will be recorded as unexcused. Excessive tardiness to first period can result in unexcused absences being applied (4 tardies = 1 unexcused absence). Excessive Absenteeism to first period can also result in a full day unexcused absence being applied (4 1st Period unexcused absences = 1 Full Day unexcused absence).

Any student who misses at least 10 class periods (in one class) will be required to have a doctor’s note to excuse any further absences in any classes the rest of the school year. Failure to provide a doctor’s note will result in consequences for absenteeism. Exceptions to this are as follows:

- School-sponsored trips, events, and activities will not be counted as days absent.
- Illness of a student which requires hospitalization or home confinement will not be charged against the student’s ten (10) days, providing the illness and subsequent hospitalization or home confinement **are verified by a physician in writing no later than 24 hours following the return to school.**
- Absence for a funeral or death of immediate family, grandparents, aunts, or uncles will not count against the 10 days.
- Absences that are verified by a parent note or phone call do not exempt the absences from the attendance policy.
- Any student leaving the building and property for emergencies, doctor appointments, or business reasons **must sign out in the office,** giving time of departure and destination with approval of the office. Upon returning, the student must sign in. Failure to check out or check in through the office will result in detention make-up based on administration discretion.
- If a student arrives at school after 8:20 a.m., they are considered “late to school and it is recorded as an absence.” If the student is over the tardy limit, the student may receive consequences for tardiness if they show up after 8:10 a.m.
- Excessive absenteeism could be grounds for school Principal placing a student “not in good standing” making them ineligible for extra-curricular activities.

Parents must notify the office within 24 hours of their child's absence. Notification of the absence after the 24-hour period will not excuse the student's absence unless special arrangements have been made with the principal or assistant principal. Any student who arrives for a scheduled class more than 10 minutes late will be considered absent from that class. Students who have been placed on the doctor's note required list are then assigned consequences for absenteeism when recording unexcused absences.

Consequences for Absenteeism:

- 1st Offense: 1 Hour Detention
- 2nd Offense: Two, 1 Hour Detentions
- 3rd Offense: 1 to 3 Days Recovery Room
- 4th and Beyond: Administrator Discretion

CELL PHONES AND ELECTRONIC DEVICES

Student cell phones and electronic devices at RMS are discouraged, but if brought to school, must remain "unused," switched to "off," and placed in their lockers. Cell phones may be used outside, before or after school, but anytime the students are in the building, they must be put away and turned off. The school is not responsible for lost, stolen, or misplaced cell phones or other electronic devices. Any electronic device, not provided by the school (such as an Apple Watch), that allows a student to communicate with others or connect to the internet is not allowed. AirPods may be used if teacher allows and are used to connect to a student assigned laptop. Any exceptions are to be specifically approved by the principals. Phones are available in the office for student use.

Consequences for Cell Phone and Electronic Devices:

- 1st Offense: 1 Hour Detention
- 2nd Offense: Two, 1 Hour Detentions
- 3rd Offense: 1 to 3 Days Recovery Room
- 4th and Beyond: Administrator Discretion

****Failure to allow confiscation of a phone or electronic device will result in Out of School Suspension.**
