Our data shows positive cases are trending up at our secondary campus. Therefore, we will begin a mandatory mask period per our COVID protocol from 1/27/22 through 2/6/22. At that time the numbers will be re-evaluated. If we fall below the 2% positivity rate threshold masks will no longer be required. Please send a mask with your child. If your child does not have a mask, one will be provided.

Thank you for your assistance.
