

Board Action to Approve the Superintendent’s Recommendation of retirement:

Motion made by Dr. Jerry Hamm to approve superintendent’s recommendation and accept the retirement of:

Karen Linnebur, Reading Teacher, CES

Seconded by Robert Robson. Motion carried 6-0.

Board Reflection/Information Request:

- Dr. Jerry Hamm commented on seeing a parent’s night at the Parent’s As teachers (PAT) program. The staff collect clothing from the community that is appropriate for the age group of students. At the B&G Club on Walnut Street, open the room up to be available to parents. Parents were pleased about the opportunity and the students were excited. With winter coming on, it would be good if the board could promote this event by having some of the PAT staff present to the board.
- Robert Robson asked if it is possible to send out board information as an email instead of in the secure board section of the website.
- Darrel Harbaugh commented on attending the teacher’s September 24th trauma-informed in-service day. The presentation was very good and the teachers receptive, especially as it seems to be coming more and more prevalent in schools.

Adjournment:

At 8:37 p.m., President, Darrel Harbaugh adjourned the October 8, 2018 regular session of the governing Board of Education for Coffeyville Unified School District 445.
