Parents Right-To-Know Title I Annual Notification

This notification is provided to inform you of your right to request the following specific information concerning the school and teachers:

Parents may request information regarding the professional qualifications of their child's/children's classroom teachers and paraprofessionals. Parents may also request student Kansas State Assessment Scores.

Professional qualifications include:

- Whether or not the teacher has met Kansas licensing criteria for the grade levels and subject areas being taught;
- The baccalaureate degree and any other graduate certification or degree and the field of discipline of both;
- If services are provided by paraprofessionals, their qualifications;
- If the teacher is teaching under an emergency or professional waiver.

All teachers at Community Elementary meet the above criteria. Each one is licensed for the grade levels and subject areas being taught. Each one has a baccalaureate degree and none are teaching under an emergency or provisional waiver. The paraprofessional(s), who work under the direction of the Title I and classroom teachers, meet required qualifications for the position or are taking the required modules in order to take the Paraprofessional Test.

Parent-School Compacts

Schools receiving Title I funds are required to make a Parent-School Compact or Learning Agreement available. Parent-School Compacts are provided, reviewed and signed at the fall Parent-Teacher Conferences for every child.

Title I Schools Identified for Improvement

Community Elementary met the No Child Left Behind standards regarding Adequate Yearly Progress (AYP) for the 2009-2010 school year in Reading but fell short in Math. However, we have not been identified as a school on improvement. AYP is based on the scores from the Kansas Reading Assessments and the Kansas Math Assessments.

If you have questions or would like to request further information; please feel free to contact building Administration.
