Dear Nado Family,

The federal funding support that has provided school breakfasts and lunches free to public students for the past two years is coming to an end at the end of this school year. With this in mind, please be advised of the following items.

- \* Coffeyville USD 445 will be offering free meals to all 0-18 years of age at both CES and at Nado Café. This program will run from June 6th through July 29th.
- \* The Boys and Girls Club has partnered with the school district again this year to have meals provided for the BGTots program at ELC and the BGTeen program at the Walnut site.
- \* For the 2022-23 school year, families once again will pay full price for student breakfasts and lunches unless they apply and qualify for free-and-reduced meals through the district's application process.
- \* The new free and reduced application for 2022-23 will be released in July. Families must apply each year for free or reduced food service and student registration fees unless families qualify under the direct certification list from the state.
