## **Welcome to Community Elementary School**

Dear Students and Parents,

We, the faculty and staff of Community Elementary, want to welcome you to what is sure to be an exciting and fun-filled school year. While our focus is student engagement and learning, we provide activities and experiences that enhance the educational environment and nurture the development of the whole child. For this to happen, we all have to work together.

Community Elementary is taking a proactive stance in order to prepare today's children for tomorrow's opportunities. The school community is working as a collaborative team in order to ensure that each student is receiving intensive instruction in the core subject areas. With the incorporation of the Multi Tiered Systems of Support, students with an academic need are receiving additional instruction in the areas where gaps have been determined. Cross curricular lesson designs are on the rise in order to create additional time for intensive instruction in math and reading while maintaining instruction in science, social studies and language arts.

As collaborative teams, the faculty and staff implement research-based best practices with fidelity and rigor in all classrooms in order to prepare our students to meet and exceed grade level requirements. In the area of Reading, our Kinder-6th grade students receive instruction through the Wonders curriculum.

Community Elementary School principals have an open door policy. We ask that if you have a concern you contact the classroom teacher first to see if the concern can be resolved. If an appointment is needed with an administrator, please contact our school secretaries to schedule an appointment. We are looking forward to an amazing year with our Twister Family.

Respectfully,  
Ms. Linthacum  
Mrs. Stukesbary  
Mr. Lovelace  
Ms. Thompson

## GENERAL RULES AND PROCEDURES

## **Admissions**

Community Elementary offers full day kindergarten. The laws of Kansas state that children who will be five years old on or before August 31, 2022 are eligible to attend kindergarten classes during the-2022-2023 school year. It is every child's legal right to attend kindergarten once they reach the eligible age.

Kindergarten Roundup is held in late spring, with registration and fees due during the August enrollment period. Kindergarten screening will take place in August, after school begins.

Kindergarten parents should bring the following to registration:

- Child's official birth certificate (hospital certificates are not acceptable)
- Child's immunization records
- Name and telephone number of the child's physician
- Information for bus transportation, emergencies, and health record forms
- Verification of the child's physical examination.

The Kansas Department of Health and Environment requires an appropriate series of immunizations for all children who are entering school for the first time this fall, including:

- 5 DTaP vaccines (Diphtheria/Tetanus/and Pertussis)
- 4 OPV/IPV vaccines
- 2 MMR vaccines (Measles/Mumps/Rubella)
- Varicella vaccines (chicken pox)-2 are recommended
- HBV vaccine series (3 Hepatitis B vaccines)

Kansas "Certification of Immunization" forms are available during enrollment through school offices. Completed immunization forms should be on file in the school office before students begin classes. A card signed by a physician or authorized proof from a clinic health department is required. Parents with questions should contact the school nurse or Montgomery County Health Department.

## **Arrival**

Students who do not ride the bus will need to enter through the north and south main hallway doors. K-2 students need to use the south entrance for drop off. 3rd-6th grade students need to use the north entrance for drop off. All doors are locked at 8:05 a.m. There is no supervision until 7:30 and the safety of your child is our top priority. Students will not be allowed in the building prior to 7:30. Breakfast begins for students at 7:35 in the multipurpose room.

Please adhere to the following drop-off procedures at the south end of the building in the a.m.:

- Please do not exit your vehicle when dropping off your child. If you wish to come into the building with your child, please park at Sherwin Williams or The First Church of God and walk across the street utilizing the crosswalk.
- The left flow-through lane will only be used to exit once you have dropped off your child.
- Once a spot has opened, ALL vehicles still waiting for a drop-off will pull forward in the right lane.
- Per the posted sign, please remember to not turn left out of the drop-off zone.

## **Attendance Policy**

The CES attendance policy applies to all students enrolled in school. The attendance policy is intended to encourage students to be regular in their attendance. It is the responsibility of parents to see that their students attend school. The school program cannot reach pupils who are not present. The compulsory school attendance requires regular attendance in compliance with the state laws (Kansas Statute No. 72-1111).

The truancy policy states that students who have been absent for all or a significant part of 3 days in a row, 5 days in a semester or 7 days in a year unexcused will be turned into the Department of Children and Families (DCF) and the County Attorney for prosecution. The building administrator has ultimate determination if an absence is considered excused or unexcused.

**Parents must notify the main office within 24 hours of their child's absence.** Notification of the absence after the 24 hour period will not excuse the student's absence unless special arrangements have been made with the principal. An automated call will be made to notify parents of absences not reported by parents. *If the student is absent three consecutive days in a row, a doctor's permit will be required before the student will be allowed to return to school.*

If your student is not in the classroom by 8:05 a.m., they are **tardy**. Students arriving late need to enter through the main entrance and obtain a tardy slip and be signed in by a parent or guardian. Excessive tardiness will result in unexcused absences. (4 tardies=1 unexcused absence.)

If a student arrives at school more than one hour late in the morning or leaves more than one hour early in the afternoon, he or she will be counted absent for one half day. Four tardies and/or four early dismissals equal one unexcused absence.

**When a student accumulates 7 missed days in a semester, he/she will be required to have a doctor's note to excuse any further absences the rest of the school year. Failure to provide a doctor's note will result in consequences for absenteeism.**

Exceptions to this are as follows:

- School-sponsored trips, events, and activities will not be counted as days absent.
- Illness of a student which requires hospitalization or home confinement will not be charged against the student's seven (7) days in a semester, providing the illness and subsequent hospitalization or home confinement **are verified by a physician in writing no later than 24 hours following the return to school.**
- Absence for a funeral or death of immediate family, grandparents, aunts or uncles will not count against the student's eight (8) days.
- Absences that are verified by a parent note or phone call do not exempt the absences from the attendance policy.
- Any student leaving the building/property for emergencies, doctor appointments, or business reasons **must sign out in the main office,**
- Excessive absenteeism could be grounds for the school principal placing a student "not in good standing" making them eligible for retention.
- 

#### **Monitoring System for Excessive Absenteeism**

- 5 Absences - Contact from School Resource Specialist
- 7 Absences - Contact from School Administrator
- 10 Absences-will result in a Mandatory Wrap Around meeting during the school day with Administration, Counselor, School Resource Specialist, Parent and Student
- 10+ Absences that don't adhere to policy stated above will result in Coffeyville PD intervention and juvenile intake, as well as a report submitted to DCF.

#### **Monitoring Tardiness:**

- 5 Tardies - Contact from School Resource Specialist
- 7 Tardies - Contact from School

- 10 Tardies may result in a Mandatory Wrap Around Meeting with Administration, School Counselor, School Resource Specialist, Parent and Student

**As a Parent/Guardian I will:**

- Get my child to school every day on time. (Students are required to be in their classrooms by 8:05.)
- In the event of my child being tardy I will call or sign him/her into the main office. ( if drop off time is 8:05 or later)
- Provide the school with medical documentation of illnesses/medical appointments.
- Contact the main office within 24 hours of my child’s absence and provide a reason for the absence.

**As a Parent/Guardian I am aware of Community Elementary School’s monitoring system for absences, tardies and early dismissals:**

- 5 Absences/tardies- Contact from School Resource Specialist
- 7 Absences/tardies- Contact from Administration
- 10 Absences/ 6 tardies may result in a Mandatory Wrap Around meeting during the school day with Administration, Counselor, School Resource Specialist, Parent and Student, and School Resource Officer
- 10+ Absences that don’t adhere to policy stated above will result in Coffeyville PD intervention and juvenile intake.

**Birthday Celebrations**

Children enjoy celebrating their birthdays and many like to bring treats. **Please notify the teacher ahead of time and the last few minutes of the day may be used to share treats.** Please remember, all treats must be prepackaged. If your child is having a birthday party away from the school, invitations may be distributed at school, only if every child in the classroom is invited.

**CE Twister Booster Information**

We would like to invite all parents, guardians, grandparents and other community members to help support our organization. The purpose of this organization is to enhance our student’s educational experience and learning environment. Through fundraising and family activities we will promote positive involvement between parents, teachers, school administration, and the community. It is also our goal to provide a sense of support, pride and enthusiasm. Help us make Community Elementary special for everyone.

The Boosters host several family activities throughout the year, which are ever changing to meet the wants and needs of our student population. We also try to provide items that encourage school pride and support. Fundraisers support the many curricular activities including the purchase of reading books through the Read, Achieve, Dream book distribution program. We also fund the class field trips, Accelerated Reader rewards, teacher appreciation, Fun Day, 6<sup>th</sup> grade celebration and more.

CE Twister Boosters always welcome people who want to share ideas and help with activities. A list of officers and contact numbers for the school year will be distributed at the beginning of the school year. If you have any questions or comments through the year, you can contact an officer directly, send a note to school with your child or you can email [booster\\_news@yahoo.com](mailto:booster_news@yahoo.com). “If everyone does a little, no one has to do it all.”

**Chain of Command**

Should a situation or problem arise in the classroom or on the playground concerning your child that you feel needs to be addressed, please call to set up a time to meet with the classroom teacher first. If you are not

satisfied with the result of that meeting, contact the main office and make an appointment to visit with an administrator.

### **Custodial and Noncustodial Parents Rights and Responsibilities**

When parents of a student are separated, involved in divorce proceedings, or are divorced, the building principal will respect the rights of custodial AND noncustodial parents equally, except when a court order exists concerning special restrictions. It is the responsibility of the custodial parent to provide the school principal with a copy of such a court order, if restricted access to student or student information is requested.

Both natural parents have the right to:

- Receive school mailings
- View the child's school records
- Receive school progress reports
- Visit the child briefly at school
- Participate in parent-teacher conferences (not necessarily together in the same conference)
- Participate in Individual Educational Program (IEP) meetings

Only a legal document (e.g., final divorce decree which includes specific denial of visitation rights or a restraining order denying visitation rights) can prevent a parent from participating in the activities named above.

For the school's purposes, the parent who resides with the child is known as the custodial parent. If both parents claim to be the custodial parent, enrollment records should be examined. The parent who enrolled the child is considered the custodial parent unless a legal document naming the custodial parent can be provided to the school.

While both parents can see the child at school, only the custodial parent has the right to remove the child from school property.

### **Dismissal**

In an effort to create a safer and more effective pick up procedure at the end of the day, please adhere to the following procedures:

- Please do not exit your vehicle when picking up your child. If you wish to greet your child after school and/or speak with your child's teacher, please park at Sherwin Williams or The First Church of God and walk across the street utilizing the crosswalk.
- The left flow-through lane will only be used to exit once you have picked up your child.
- Once a spot has opened, ALL vehicles still waiting for a pick-up will pull forward in the right lane.
- Students will be waiting in their designated grade level locations until you are able to pull up to them.
- Once the curb parking is full, vehicles will not be allowed to enter and drive in the flow-through or left lane. Staff will direct vehicles to proceed around the building.
- We would appreciate all students and parents to cross the street safely at the traffic light and/or crosswalk.

Bus students will be dismissed at 3:20 p.m. with the rest of the students. All bus loading areas will be on the west side of the building.

**If your child needs to change their end of day procedure, parents must call the school by 2:45 to make arrangements. The office will notify the classroom teacher where the child will be dismissed. In order to keep your child safe, the school needs ample time to notify the classroom teacher, therefore any calls received after 2:45 for a change in dismissal will not be honored.**

### **Education for Homeless Children**

If your family lives in any of the following situations please call Lora Stalford at (620) 252-6400 for assistance and support:

- In a shelter, motel, or campground
- In an abandoned building, trailer, or other inadequate accommodations
- On the street
- Doubled up with friends or relatives because you cannot find or afford housing

### **Elementary School Counselor**

The elementary school counseling program assists students individually and in groups in the classroom setting. Our counselors are also available to consult with parents and teachers concerning students. In addition, the counselors make referrals to community agencies.

### **Field Trip and Activities**

Taking students on a field trip or other activities is a tremendous responsibility. With proper planning, organization, supervision, and responsible students, it can be a rewarding experience.

Without all those components, it can be a hazardous and frightening experience. Supervision is more difficult on field trips and extra curricular activities. We must have cooperation and responsible behavior from students. We must depend on them to follow directions and maintain self-control. We do not want to limit field trips and extracurricular activities for all students because of the behavior of a few. Neither do we want the added responsibility and liability of supervising students in an even more difficult environment. One field trip permission will be filled out at enrollment that will cover all in-town trips for the entire school year. Any out-of-town field trips will require a signed permission slip. Information will be sent home notifying you of all trips/events that would require a student to leave the building.

### **Fire and Tornado and Other Emergency Drills**

Instructions indicating where students, staff and visitors should go and what they should do are posted near the door of each room. ALL PERSONS in the building at the time of an emergency drill are expected to participate and comply.

### **Gifts and Flowers sent to school**

Throughout the year, gifts of flowers, balloons, etc. sent to school will be held at the K-2 office until dismissal time to avoid disrupting class. **Exception to this rule:** Community Elementary **is not able to accept** any type of gifts or flowers for **students** in the building during **the week of Valentine's Day**.

### **(USD 445 Procedures for Dealing with) Head Lice**

Kansas Administrative Regulation 28-1-6: "Students infested with head lice shall be excluded from school or child care facilities until treated with an antiparasitic drug and until all nits have been removed".

The state regulation, the attached Kansas Department of Health and Environment (KDHE) flyer, "Dealing with Head Lice, A Practical Approach for Schools, Parents, and Communities, and the Kansas law K.S.A. 72-1113 Compulsory Attendance Reporting serve as the basis for the following procedures to deal with head lice infestations in the USD 445 school settings.

1. Any student found to have live lice or nits (eggs)

A. Will be excluded from school with a completed copy of this document indicating:

Student: \_\_\_\_\_ Date \_\_\_/\_\_\_/\_\_\_/ is excluded from school until treated with an antiparasitic drug and all nits have been removed, as confirmed by the school nurse or her Trained designee(s) at each school. Students missing more than five days TOTAL for the school year due to head lice MUST receive

clearance from the Montgomery County Health Department before being readmitted to school. The principal will notify the Montgomery County Health Department. Call the School Nurse at 252-6430 for further assistance in meeting this legal requirement. School personnel are not expected to assume the parent's legal responsibility for shampooing or picking nits.

B. Reasonable attempts are to be made to personally notify the parent/guardian and answer questions.

C. It is possible to treat the hair with the over-the-counter parasitic drug and remove the nits the same evening and return the student to school the next day. Our school Resource Specialist and/or the Montgomery County Attorney will be notified, in accordance with the compulsory attendance law, if students miss more than three days for head lice infestation without specific written approval by the principal for extended absences due to head lice. Principals are encouraged to notify authorities daily after a total of five days are missed for head lice for the year.

1. Non-prescription antiparasitic drugs are commonly available at local discount stores, drug stores and pharmacies (RID, Pronto, R&C Shampoo, XXX, etc.). Use them as directed: using shampoo too often can be harmful. Some products also assist in the removal of nits. Note that a second application seven (7) days later is recommended in the KDHE flier as part of a two-week regimen to treat a head lice infestation.

2. All nits must be removed through wet fine-tooth combing, then picking "dry" hair before returning the student to school with clean hair (dry and free of hair spray, oils or mousse-required at MG Health Department to check hair) for inspection. Trained Staff members are available at each school to perform this inspection. Students will be returned immediately to class if free of lice and nits. If lice or nits are found, the student will continue to be excluded until he/she is nit free.

D. Dealing with head lice infestations can be frustrating and time-consuming for students, staff and families, but do not panic: plan your attack.

1. The key to preventing head lice infestation or reinfestation is avoiding contact with infested human hair.

2. Treat the child and the whole family in the house. Put on clean clothes.

3. Check and pick nits daily.

4. Wash child's clothing, bedding, combs, brushes, hats, coats and other things the child is in close contact with in hot soapy water. If the article cannot be machine-washed, toss it in the dryer – heat from the dryer will kill the head lice.

5. Shampoo and blow-dry the child's hair daily with regular shampoo to kill head lice after treatment. Heat kills the adult head lice.

6. Each family member should use their own brushes, combs, hats, scarves, etc. that come into contact with the head hair. Keeping children in their own beds can help. Head lice cannot jump, fly or hop, but they can live up to 48 hours off the human body.

7. Vacuuming and treating carpeting, upholstery, and vehicles can help, but the precautions above are most effective.

8. The school nurse will work with administration to determine the need for any mass screenings of classes or schools. Other trained adults may be used for screenings to limit the loss of educational process.

9. KDHE flier: "Frequent repeated screenings for lice in schools has not been shown to be effective...and probably do little more than consume the time of school employees and disrupt the educational process...The most effective point of control of head lice is in the household. Parents, not school employees, are best suited to screen their children for head lice and to properly treat and control lice". "Head lice are parasites capable of infesting the hair, eyebrows and eyelashes of humans...They do not transmit other infectious agents such as bacteria or viruses, and do not have any serious health consequences." Head lice are transmitted "when living adult lice move from one person to another,

usually as a result of direct contact between the two.” Because of the behavior and play habits of lower elementary students, they experience a greater problem with infestations.

10. Teachers will quickly monitor students for head lice and refer students to trained staff in the building and/or nurse for more thorough inspections when there is a concern.

### **Illness or Injury**

In case of illness or injury, the school nurse or a member of the school health clinic will care for a student temporarily. If emergency medical treatment is necessary, the parents will be contacted. An emergency telephone number where parents can be reached and the name and telephone number of the student’s family doctor must be on file in the school office. A child will be sent home if:

- Temperature of 100 degrees or more. Students may not return to school until they have been fever free for 24 hours without the use of medication.
- Severe cold, sneezing, or coughing.
- Upset stomach and vomiting.
- Signs of contagious infection.
- If these symptoms are present at home, the child should not be sent to school.

### **Inclement Weather Information**

Because of weather conditions, it may become necessary to run buses late some mornings, cancel transportation and close school, or dismiss bus students early. When the decision is made not to run buses, ALL USD 445 SCHOOLS will be closed for that day. The decision to close school or run buses late will be made no later than 6:30 a.m. on the day in question. KGGF Radio (690 AM) and KQQF Radio (92.1 FM) will be notified immediately. In some cases KOAM-TV, Channel 7 Pittsburg will be notified. Text alert and automated dialer are available forms of communication. The USD445 Facebook page will also have information posted.

### **Kansas School Safety Hotline 1-877-686-8203**

The Kansas State Department of Education, in cooperation with the Kansas Highway Patrol, has established the Kansas School Safety Hotline: 1-877-626-8203. The toll-free school safety hotline is available 24 hours a day and 365 days a year. It gives students, parents, and community members the opportunity to anonymously report any impending or potential school violence. For more information please contact the Kansas School Safety Hotline, the USD 445 Board of Education office at 252-6400, or any school office.

### **Legal Name of Student on School Records**

It is necessary that a student’s name on school records be the same as the name on his/her birth certificate. In the case of adoption, the school will change the name upon having a copy of the court order.

### **Lost and Found**

To avoid unnecessary loss of lunch boxes, backpacks, coats, jackets, hats, umbrellas, and other personal items, **please** label everything. At the end of each nine weeks, articles not claimed will be donated or disposed of.

### **Major Disaster**

In case of any emergency which would require all students to leave the building, students may leave with a parent after the parent has checked the student out through the office or with administration.

### **Make-up Work After an Absence**

Students who are absent will have two days for every day they are absent to make up their missed assignments.

## **Medications**

Diagnosis and treatment of illness and the prescribing of drugs and medications are not the responsibility of the public schools and are not to be practiced by any school personnel, including school nurses, unless authorized hereunder. School personnel are advised that the Nurse Practice Act KSA 65-1113 et seq. as amended, makes it illegal for school nurses to administer medications and treatment that have not been prescribed by a medical person authorized to prescribe medication. The law under this statute also prohibits any acts of diagnosis. It is the policy of the Board that the public school should not provide students with aspirin or any other medication. The decision as to whether aspirin is needed is a form of diagnosis and the dispensing of the medication is a form of treatment. Any school personnel, including school nurses, shall not practice unauthorized administration of aspirin or other non-prescription medications. In certain circumstances when medication is necessary for the student to remain in school, the school may cooperate with parents in the supervision of medication that the student will use. The parents must submit a "Permission to Receive Over-the-Counter Medications" form in order for a student to receive specified medication and release the school district and personnel from liability.

Both the doctor and parent must sign a "Student Medication Release Permit" before a prescription can be given at school. All prescriptions must be in the original package and the prescription label must match what the doctor has written on the release permit. All medications will be kept in the nurse's office. This includes cough drops and any over-the-counter medications. It is the parents' responsibility to get medications to the school and keep medications supplied to the school office.

## **Moving during the school year**

If a student moves to another district, city or state during the school year, the parent/guardian needs to come by the school and fill out an exit form. All textbooks, guided reading books, accelerated reading books, book bags, etc. need to be turned in and all outstanding account balances must be paid.

## **Nondiscrimination Disclosure for Students**

The District shall maintain a learning environment free from discrimination, insult, intimidation, or harassment due to race, color, religion, sex, age, national origin, or disability.

Any student who engages in discrimination may be reprimanded and counseled to refrain from such conduct. Any student who continues to engage in discriminatory conduct shall be disciplined. Any student who engages in discriminatory behavior may be disciplined in a matter deemed appropriate by the administration, up to and including suspension or expulsion from school.

## **Nutrition Policy (USD 445)**

Coffeyville USD 445 recognizes that students need adequate, nourishing food in order to grow, learn and maintain good health. Significant research indicates a positive relationship between adequate nutrition and learning resulting in academic success. It is the goal of Coffeyville USD 445 to provide each student access to delicious, enjoyable, and nutritious meals each day. We shall help our children develop healthy eating habits that will serve them throughout their lifetimes and will benefit our entire community.

The district will, as resources are available, provide adequate resources to implement the Nutrition Policy. All employees of the district will support the implementation of the Nutrition Policy, especially as it relates to Federal guidelines. The board recognizes that students need adequate, nourishing food in order to grow, learn, and maintain good health. It is the goal of the board to provide each student access to delicious, enjoyable, and nutritious meals each day, while meeting all rules and regulations from governing entities including KSDE Child Nutrition and the USDA.

By regulation, students and adults are required to prepay or pay cash daily for all food purchases. Parents (or guardians) are expected to maintain their child’s meal account throughout the school year.

However, Coffeyville School District recognizes that on occasion, students may forget to bring meal money to school. To ensure that students do not go hungry, but also to promote responsible student behavior and to minimize the fiscal burden to the Child Nutrition Department, the district will enforce the following policies:

- 1) A charge account for students paying full or reduced price for meals may be established with the district. Students may charge no more than \$10.00 worth of meals to their food service account. Charging of a la carte or extra items to the food service account will not be permitted.
- 2) Any student failing to keep his/her account solvent as required by the district will not be allowed to charge further meals until the negative account balance has been paid in full. However, the student will be allowed to purchase a meal if the student pays for the meal when it is received.
- 3) Students who have charged the maximum allowance to this account and cannot pay out of pocket for a meal will be provided a courtesy meal consisting of a meat or cheese sandwich and milk.
- 4) At least one written warning shall be provided to a student and his/her parent or guardian prior to offering a courtesy meal for exceeding the district’s charge limit. A courtesy meal will be provided for up to three days.
- 5) If the negative balance continues, and the parent or guardian fails to provide the child with meals or the funds to purchase meals, social services will be contacted to determine if the student’s needs are being met.
- 6) Payments for school meals may be made at any school office or at EZSchoolPay.com. Students, parents, and guardians of students are encouraged to prepay meal costs.
  - Students eligible for free meals will never be denied a meal because of a negative account balance, however they will not be allowed to charge À la carte items, including milk, to have with a lunch brought from home.
  - Parents may sign up to receive meal account balance notifications through EZSchoolPay.com. Contact the Child Nutrition Department for help to set these up. (620)252-6465
  - All adult meals must be prepaid or paid with cash. Adults are not allowed to charge meals or À la carte at any time.

Nutrition Policy-Allergies to Food

USD 445 will make meal modifications due to food allergies or intolerances that rise to the level of a disability. Appropriate forms must be completed each year and signed by a physician. These forms are available in the main office or the Child Nutrition Services office. USD 445 will also make substitutions for fluid cow's milk due to a food allergy/intolerance or for other reasons. For more information, contact Pam Lane at 620-252-6465.

#### Nutrition Policy-Free / Reduced Meal Applications

Families wishing to receive free or reduced-price meals for their school-aged children must reapply for benefits every school year. Although applications may be made at any time during the year, parents are strongly encouraged to apply for meal benefits prior to the beginning of the school year. Applications for free or reduced-price meals will be available at enrollment. Staff will be available to assist families wishing to complete paperwork to apply for free or reduced-price meal benefits. Forms will be available in both English and Spanish.

#### Nutrition Policy-Kindergarten Snack Milk

Please remember that all Kindergarten students receive snack milk every afternoon. The student's cost for snack milk is \$.20 per carton, or \$34.80 for the entire year. The cost of snack milk is **NOT** covered by free or reduced-price meal eligibility. Parents of Kindergarten students are encouraged to pay for their child's snack milk at enrollment.

#### Nutrition Policy-Meal Patterns

Coffeyville school meals meet all federal nutrition standards. Student breakfast and lunch meals contain milk, fruits and vegetables, proteins and grains with limits on sodium, saturated fat, and calories. The standards include:

- Age appropriate calorie limits
- Larger servings of vegetables and fruits – Students are required to take at least one serving!
- A wider variety of vegetables including dark green and red/orange vegetables and legumes
- Low fat or fat free flavored or unflavored milk
- More whole grains
- Less sodium

Kindergarten through 6<sup>th</sup> grade at CES utilize the “offer vs serve” program. This allows students to choose what foods they want to eat instead of staff providing them with a prepared tray. This allows students to refuse some menu items if they prefer. However, all students are required to take at least three components of the meal including vegetables or fruits.

## Super Snacks

CES now offers **Free** “Super Snax” (a snack consisting of all food groups) after school to any student of the district who stays after school for activities such as Boys and Girls Club, homework assistance, sports, or any other clubs. This is open to any students regardless of age or grade as long as they are staying after school for an activity. These are served in the CES cafeteria from 3:15 to 4:00 p.m.

## Parent Code of Conduct

CES requires the parents of enrolled children to behave in a manner consistent with decency, courtesy and respect at all times. Achieving the ideal environment is a shared responsibility of staff and family members who enter the building. No parent or adult is permitted to curse or use inappropriate language on school property at any time, in the presence of children or not. At no time shall inappropriate language be directed towards staff or children. Threats of any kind will not be tolerated and will be reported to the appropriate authorities and prosecuted to the fullest extent of the law. Persons who violate the code of conduct could be served with a notice that bans them from all U.S.D. 445 the property.

## Parent-Teacher Conferences

There are two scheduled times for parent-teacher conferences each year. Conferences will be held in October and March. Please make every effort to attend these conferences in order to be an active participant of your child’s educational journey.

### **Perfect Attendance**

For a student to receive an award for perfect attendance, they will be required to have no absences, no early dismissals or tardies. Any absences, early dismissals or tardies will disqualify the student for this award.

### **Promotion and Retention**

Most students in U.S.D. 445 will satisfactorily meet the minimum requirements of courses or grades and will automatically be promoted to the next higher grade level.

Any proposal made to retain, to double promote, or to assign a student to the next higher grade level without him/her having met the minimum academic requirements will require a full staffing to include teacher(s), principal, counselor and psychologist, if available, and parents. Decisions from such staffing need to be in written form and signed by all interested parties when possible. Where there is no consensus decision, the principal(s) has the authority to make a final decision based upon consideration of the following criteria:

1. Chronological age.
2. Mental ability as determined by tests plus documentation of teacher judgment.
3. Academic achievement in all subject areas, especially basic skill master, as measured by tests plus documentation of teacher's judgment.
4. Work on study habits.
5. Physical development.
6. Social maturity.
7. Emotional maturity.
8. Interests and degree of initiative shown in curricular and extracurricular activities.
9. Attendance record.
10. Availability of remedial resources.
11. Teaching situation into which the pupil might be placed: e.g. class size, composition of group, etc.
12. Placement of siblings.
13. Future educational and career objectives.
14. No student should spend more than two years at any grade level, nor should any student be retained more than two times in his/her K-6 experience or three times K-8.
15. Must have signed documentation that parents have been involved and/or notified of academic concerns.

***The final decision in any case pertaining to promotion or retention shall rest with the appropriate building principal.***

### **Release of a Student During the School Day**

In recognition of the responsibility of the district to parents for the health, welfare and safety of students, elementary building principals are lawful custodians of students during the school day. This means that the school will not release a student to any unauthorized adult as defined by Kansas law (K.S.A. 38-706-824). Any person picking up a student from school MUST provide photo identification before the student will be released. **The person picking up the student must be the legal parent or guardian.** The parent/guardian may provide a list of authorized persons to pick up their student(s) in writing to the school. Those persons will be listed on Infinite Campus. Any person not listed on Infinite Campus will not be allowed to take a student from school. **The person receiving the student must sign the student out and then again upon the students return in the main office. It would be helpful if you would call ahead so that the student can be waiting for you.**

### **School Hours**

**8:05- 3:20 p.m. Monday-Friday**

### **Student Information**

Access to student grades, attendance, assignments, and accounts are available online through the Infinite Campus Parent Portal. Parents may request login information in the main office. Teacher email addresses may be found on the school website: [www.cvilleschools.com/CES](http://www.cvilleschools.com/CES)

### **Telephone messages**

The school receptionist and/or the “Community” secretary for the section your student is in will take messages for students as they are not called to the phone. Since office phones are constantly in use for school business, students may not use an office phone to call home unless there is an emergency.

### **Title 1 Schoolwide Services**

Title 1 is a supplemental program designed to assist students who need additional and individualized instruction in the areas of reading and mathematics. The services are available to all elementary school children as Community Elementary is a school-wide Title 1 school.

### **Valuables**

Students should not bring to school things of value (cameras, cell phones, electronic devices, etc.) or large amounts of money. **The school is not responsible for lost or stolen items.**

### **Visitors**

Visitors entering the building will enter at the main office, sign in and receive a visitor pass. The pass must be worn at all times while in the building. NO ONE will be allowed in the hallways during class time unattended. If you have an appointment with a classroom teacher or administrator, you will be asked to wait in the lobby until someone accompanies you to your destination. Upon leaving your destination, you will be escorted to the main hallway and asked to return to the main office to sign-out from your visit. We believe in open communication and the involvement of parents in the school. However, parents needing to visit with a teacher or administrator will need to call ahead for an appointment so that classroom interruptions can be kept to a minimum. For the protection and safety of our students, there are no public restrooms or water fountains available to visitors at Community Elementary.

# SECTION 2

## BEHAVIOR POLICY

## **School Wide Behavior Expectations**

CES follows the Board approved Student Code of Conduct for determining appropriate disciplinary actions for students who do not adhere to school rules.

Effective discipline in school is extremely important to the educational process. It is a vital factor in determining the kind of education students will receive. A progressive discipline plan will be applied to each incident. Administration has several options that may be exercised and are authorized to apply higher level consequences for serious violations, even for a first offense .

### **Level Of Infractions**

Level 1 Infractions are commonly handled by teachers with classroom interventions that may include: redirection, reteaching expected behaviors, parent contact, separate area to work, student conference, parent conference and/or other interventions deemed necessary by the classroom teacher. If level 1 infractions occur repeatedly, the teacher will refer the student to the office.

Level 2 infractions are handled directly by the office. These infractions result in an immediate office referral. Office interventions may include: parent and student conference, detention, recovery room, counselor referral, out of school suspension.

Level 3 infractions are serious violations and will require immediate suspension and possible due process hearing.

### **Academic Dishonesty/Cheating/Forgery**

Academic dishonesty includes, but is not limited to, giving false information to a staff member, submitting another's work as one's own, making a false allegation regarding the conduct of another student, allowing someone to copy your work, or committing plagiarism. Forgery is signing another person's name to a document or form.

### **Battery**

Unwanted physical contact with another person when done in a rude, insulting, or angry manner.

Infractions of this nature will be referred directly to building administration. Battery may result in referral to law enforcement.

### **Bullying**

Infractions of this nature will be referred directly to building administration. Bullying may result in referral to law enforcement.

**Bullying** is any intentional gesture or any intentional written, verbal, or physical act or threat that is sufficiently severe, persistent, or pervasive enough that it creates an intimidating, threatening, or abusive educational environment for a student or staff. The four aspects of bullying are physical, verbal, relational, and cyber. **Cyber bullying** includes all forms of electronic media or communication that is used with the intent to intimidate, degrade or humiliate others.

Kansas law prohibits “**hazing.**” Since this issue could be related to gang activity, the following handbook language is included: Incidents involving initiations, hazing, intimidation, and/or related activities which are likely to cause bodily danger, physical harm, personal degradation, or disgrace resulting in physical or mental harm, or which affect the attendance of another student, are prohibited. **Such incidents will not be tolerated. All incidents will result in strong disciplinary action being taken by the administration. These behaviors should not and will not be associated with any USD#445 program.**

**At any point, administration reserves the right to issue a no contact order. Violation of a No Contact Order may result in suspension. Law Enforcement may be contacted at administrator's discretion.**

### **Cell Phones/Electronic Devices**

This includes all cell phones and other electronic devices that have cellular capabilities.

Phones are available in every classroom and office for students to use with permission. Therefore, we discourage students from bringing cellphones to school. Student cell phones are to be turned off prior to entering the building and are to remain turned off until the student exits the building. If a student brings a cell phone to school, it is to be turned off and stored in their locker. Cellular devices such as smartwatches are prohibited from being worn during school hours as well. **The school is not liable for lost, stolen or damaged cell phones or other cellular devices.**

### **Damage to School Property/Theft/Destruction of Personal Property**

Infractions of this nature will be referred directly to building administration. Damage to school property, personal property or theft may result in referral to law enforcement.

If an adult comes to CES to pick up a child and is suspected to be under the influence of drugs or alcohol, staff will call the police and inform them of their suspicions.
